

Library Support Work

If you are looking for some help with your library space, we can help!

We are a highly skilled team that can be made available to work within your school library.

Our services include weeding, sorting and organising books, auditing, labelling, adding materials to the library catalogue.

We can also offer advice on layout and furniture.

Our competitive daily rate includes two skilled members of our team coming to your school to complete the work.

WSLS subscribers: £335 for a day/£280 for additional days

Non WSLS subscribers: £355 for a day/£305 for additional days

We will give you ideas on how best to use your library space and can let you know of any gaps in your stock.

We can also help with the purchasing of new stock. If you would like to have a chat about how we can help, please get in touch.
