Other Activity Ideas and Links:

- There is a fantastic VE Day resource pack available for free download at the moment from Twinkl: <https://www.twinkl.co.uk/resource/t2-h-4813-ve-day-resource-pack>
- Have a go at designing your own VE Day Medal. You could create your own rainbow of hope ribbon design and explain what all the colours symbolise! Who would you choose to give your medal to?
- If you had to create a menu for your own VE Day street party today, what food would you choose to have on the menu? Who would you invite?
